

ICMLDE.019

| | |
|----------------------------------|---|
| Title: Special Session on | Inspecting and Debugging in Deep Learning and Machine Learning Models |
| Topics of Interest: | <ul style="list-style-type: none">• Investigating the bugs and interpretation of deep learning models using LIME• Computer vision applications interpretation using explainable ML.• Machine learning-based interpretations for multimodal data |
| Session Chair | Dr. Mohit Mittal Knowtion GmbH, Germany mittal.mohit02@gmail.com |
| Co-Chairs | Dr. Kanika Bhalla Washington University in St. Louis School of Medicine, USA bhalla@wustl.edu |
