

ICMLDE2025.014

Title of Special Session	Deep Learning Advancements in Natural Language Processing and Computer Vision
Topics of Interest: Topic 1 Topic 2 Topic 3 Topic 4	The topics should be in the theme and scope of the ICMLDE 2025 conference- Deep Neural Networks for NLP and Computer Vision Adversarial machine learning for robust NLP and Computer Vision systems Deep generative models for text and image synthesis Reinforcement learning for NLP and Computer Vision
Session Chair Name: Affiliations: Email:	Dr. Nikhil Marriwala Kurukshetra University, Kurukshetra, India Email: nmarriwala@kuk.ac.in
Co-Chairs Name: Affiliations: Email:	Dr. Vinod Kumar Shukla Amity University Dubai, UAE Email: vshukla@amityuniversity.ae Dr. Vikas Mittal National Institute of Technology, Kurukshetra. India Email: vikas_mittal@nitkkr.ac.in
