

ICMLDE2025.022

| | |
|--|---|
| Title of Special Session | Multimodal Deep Learning and AI for Precision Medicine: Advances in Imaging and Clinical Integration |
| Topics of Interest: Topic 1 Topic 2 Topic 3 Topic 4 | The topics should be in the theme and scope of the ICMLDE 2025 <ul style="list-style-type: none">• Deep Learning for Medical Image Analysis and Disease Classification• Multimodal Fusion of Imaging and Clinical/Genomic Data for Prognosis and Risk Stratification• Trustworthy and Interpretable AI in Medical Diagnostics• Benchmark Datasets and Reproducibility in Medical AI Research |
| Session Chair Name: Affiliations: Email: | Dr. Deepika Koundal University of Eastern Finland, Finland dkoundal@uef.fi |
| Co-Chairs Name: Affiliations: Email: | Dr. Kanika Bhalla Washington University School of Medicine in St. Louis, US bhalla@wustl.edu |
